REMEDY: The sole remedy under this warranty and STAR only obligation in the event of a defect in the vehicle / battery chargers is that STAR, at its sole option, repair or replace any defective parts. This remedy precludes all other remedies including any lawsuits, claims or other proceedings alleging strict liability, negligence of contract or any cause of action. STAR reserves the right to improve or change the design of any STAR or battery charger without assuming any responsibility to modify previously manufactured vehicles.

DISCLAIMER: This warranty is made in lieu of all other warranties, implied or expressed, including any warranty of merchantability or fitness for a particular purpose. STAR further disclaims all liability for incidental, exemplary, punitive or consequential damages; to include but not limited to, personal injury or property damage arising from any defect in the vehicle/ battery charger.

No agent, employee or representative of STAR or any person has authority to bind STAR to any other agreement, representation or warranty concerning the goods sold under this warranty. Some states do not allow limitations on how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damages, so the above limitations may not apply to you. This warranty gives you specific legal rights, and you may also have other rights, which vary from state to state.

WARNING: Any modification or change to the vehicle or battery charger which alters the weight distribution of the vehicle, its stability, increases the speed, or alters the output of the battery charger beyond the factor specification, can cause personal injury and will void this warranty. Do not make any such modification or any other alteration, which would adversely affect the safety of the vehicle. Adding a flip seat to the car is the only exception that STAR agrees is covered under this warranty.

VOIDING OF WARRANTY: This, and any other warranty, shall be void if:

- The vehicle or battery charger is abused or otherwise not used in its intended manner
- The vehicle is in an accident or collision
- The vehicle shows indications that the speed governor was adjusted or modified allowing the vehicle to operate beyond STAR specifications.
- The vehicle shows indications that the vehicle has been altered or modified in any way from STAR specifications, including but not limited to:
 - Alterations to the braking system, electrical system, steering or other operating systems of the vehicle.
 - Indications that routine maintenance was not performed when and in the manner specified in the STAR maintenance and service manuals or publications.

Data submitted for an individual vehicle warranty claim contains false or misleading information.

This warranty shall be void with respect to any defect or damage caused by or as a result of or related to parts or accessories which are not manufactured or authorized by STAR, or were not installed per STAR's instructions, or were covered by another manufacturer's warranty, whether expired or not.
