

STARGO COVER

DURABLE COVER FOR YOUR STAR EV

Your STAR EV is exposed to a wide range of environmental factors that can cause damage over time. A cover is great for keeping your 2+2 Lifted or 4+2 Lifted from rain, snow, sun and wind, these elements can cause the paint to fade and the interior to crack. A STARGO cover can help protect your vehicle from these elements and keep it looking like new for years to come.

STAR bags for protective storage
